

Fell Race Championships 2008

Winners:

Steve Shanks

Mary Mills

Thank you to all who took part in this years championship it has been without doubt the best year ever. 7 men and 2 ladies completed the required 3 races and Grindleford saw a total of 15 members completing. Hope all those new to fell running enjoyed the experience and pass on that it isn't that different from a tough cross-country race with all standards taking part.

With a group of us away on county duty for the first race it was chance for the new comers to make their mark, after that Mary seemed to dominate the ladies event. While the mens event was more open and the result was not sealed until the last race, as Steve was still tired from the Bob Graham, Glyn got remarkably close to taking first place, a result that would have changed the final placings.
