

## **Holme Pierrepont Running Club AGM- Events Secretary's Report 2020-21**

This will definitely be the shortest Events Report at an AGM for the simple reason we haven't done any events in the last year due to Covid. Hopefully 2021-22 will be a busier year in terms of events.

I have tried to keep everyone informed via Running Free about the plan for the return to events and I will continue to do that as the position becomes clearer, but I am hoping we will be participating in all our normal events this coming year including the Summer League and the Cross Country leagues.

It is disappointing for everyone at the Club that we have had to cancel the Grand Prix this year but we are going to put on a special event at the club on 5th August. So a date for your diaries! You can also put in the 28th December for the Christmas relays that we will host at Holme Pierrepont.

I am sure that all members are very keen to get back to participating in races but as ever we will need people to volunteer to help us with marshalling when it's our club's turn to host an event. I am hoping plenty of people will offer to volunteer so we can spread the workload fairly and everyone has a chance to run in the races they want to.

Good luck with your running this year, let's hope for a more normal year!
